

Pack 337 Web Services - MANAGING A DEN PHOTO ALBUM

OPENING PICASA for your Den

1. Go to picasa.google.com
2. Click on "Picasa Web Albums"
3. For Email use: pack337cfcdn#@gmail.com (where # is your Den number)
4. Use the standard Pack Password .

CREATING A PHOTO ALBUM

1. You may choose "Launch Picasa" to download & install Picasa on your PC if you wish. Picasa is a nice photo viewer/editor/organizer. It will scan your computer and collect photos and organize them, do face recognition, etc.
2. If you do now want to download & launch Picasa on your PC, just click the "Upload" button, and upload photos.
3. Be sure to make your album "Shared with the Public". You can get a link to this album and publish it on your den web page.
